## WSCPM

The purpose of WSCPM is to improve the quality of managers in the public sector through promotion of comprehensive training, professional growth and high ethical standards of behavior. We also provide service consistent with efficient and effective management practices, along with demonstrating vision and competence in professional management.

### Personal Benefits

- Networking and association with other professional managers
- Opportunities to contribute to professional public manager projects
- Career development through continuing education

## WSCPM Objectives

### TO PROMOTE:

- Quality, efficiency and effectiveness
- Development of professionally trained public sector managers
- Opportunities for professional growth through continuing education
- A standard of behavior that demonstrates a high level of ethical responsibility
- Fellowship, communication, coordination and cooperation
- Facilitation of positive changes which enhance public service
- Commitment to professional standards
- Awareness of new developments in theory and practice
